### • Artist

Park Meena graduated from the Department of Painting at the Rhode Island University of Art, USA (1997) and obtained a master's degree from the Department of Painting at Hunter University Graduate School (1999). Park Meena explores the production, distribution, consumption methods, and environment of colors/images that surround us and expresses them with the form of painting. Her work looks like abstract painting or design work that uses art and language as formative elements. However, it can be said that her work is an analogical and metaphorical painting in the sense that she presents a point of view that distinguishes the structure of society and culture through color and shape.

### • Explanation

*5'PIU;UVYQ* was produced using a pictogram. The artist used the icon of motorcycles and people, with motorcycles placed on either side and a person and a prohibition sign in the center. Above the motorcycle on the left, there is a shadow of be guessed Spider-Man. The police officer was expressed in light green at the back. Accordingly, the work reminds us of images related to the Road Traffic Act.
